PROGRAM IN THE  
PALM OF YOUR HAND

# MUSIC FROM THE STREETS APP

The Music From the Streets "VIP All-Access" app will give you everything you need to know about the program in the palm of your hand.

From the app, users can submit videos of their favorite street musicians, watch performance videos of the contenders, find a complete listing of street musicians across the country including where and when they perform, listen to the Music From the Streets radio channel, donate to or volunteer time with our non-profit partners, donate to and view the Virtual Street of Giving, and purchase Music From the Streets merchandise. As the competition gets underway, users can vote for their favorite musicians, read contender bios, watch videos of past performances, behind-the-scenes goings-on, and exclusive interviews with the contenders, and get updates on the competition. The app will be free to download from the Apple App Store and the Google Play Store.
